Poppy's face is blurred out on the Ego website but she will exceed your expectations in terms of beauty. Her hair is shorter now but perfectly suits her pretty face. Beautiful body.

The Story:

I have seen Poppy several times now and each experience has been better than the last which is quite an achievement. For me Poppy has the perfect combination of sexy body, genuine friendly personality and massage technique. Poppy puts me completely at ease and seems to know intuitively, exactly how to pace the massage, how much pressure and how much teasing is needed while lying on my front. She builds up the anticipation with the most wonderful body to body massage and the feel of those magnificent boobs is pure joy. Turning over and seeing her body is such a turn on that it takes some effort not to cum there and then. No need to worry as Poppy knows exactly how to handle the situation and how to handle your cock. The rest of the time is spent with Poppy taking you to the brink and back with absolute expertise until the inevitable climax. I've never experienced more intense explosions of spunk than with Poppy. There is a nice shower in the room to clean up afterwards and absolutely no feeling of being rushed. I can't recommend Poppy highly enough and look forward to seeing her again very soon.
