The Premises:

Very nice up-market country club hotel - Manchester mini tour. No problems with car parking or security.

The Lady:

About 5'6" and gorgeous. I'm useless at judging statistics, though Melony has put on a bit of weight since the photos on her web site were taken, but that's not a complaint!! Now with shorter hair as well. Shaved.

The Story:

I don't think anyone could have put more work into making arrangements than Melony did for this appointment. The details are irrelevant, but her patience was greatly appreciated.

All the correspondence had served as an introduction, so we had a lot to chat about as well, but it was soon down to business. Melony has certain requirements for cleanliness - like a shower before getting started. Although I'd showered only 2 hours earlier I have no problem, so in we went to start to get properly acquainted. Then, as it says on the web site, it was down to plenty of oral (without), sex (her on top for the first time, which never takes long), cuddling, reverse oral (Melony LOVES reverse oral, and even complimented me on my technique!), a bit of fun with some toys, more cuddling, chatting, and oral and more sex in mish and doggy, after she'd let me out of her leg-grip round my waist in mish!! Finished up with another shower to remove the evidence..

I left after my time was up fully satisfied, and still wanting to know more about her, and more about her body. All in all a fantastic time. The way Melony likes to exercise a degree of control over the appointment may put some people off, but I must emphasise that IMO what she requires is not at all unreasonable. Would I see her again? Where's that map...?
