The Lady:

Wow! Where to start. Michelle is simply stunning. She is the complete package combining a beautiful face, silky smooth skin and a firm sexy body with just the right amount of curves in all the right places. But equally as important in my humble opinion, she is intelligent and witty, even if she suggested with a wicked smile on her face that I reminded her of Wladimir Klitschko!

The Story:

Now that I'm into my 49th year on this planet, my little fella sometimes needs a fair amount of coaxing into action. Not with Michelle though! Boy can this girl kiss and that was all that was needed to get me hard. I'd asked for a GFE with lashings of 'naughty' and that is what I got. OWO, DT, RO and then on with the condom for a fast and furious couple of minutes of fucking doggie style, Michelle on all fours on the bed and me standing on the floor. I blamed my rapid fire speed on all the jiggling she was doing while I was inside her smooth, tight pussy. So that was round 1. After a very pleasant chat we got into round 2 which essentially was us 69'ing until one of us came into the other person's mouth followed by a lovely few moments of kissing. Did I mention that Michelle is a great kisser. More chat and cuddles to follow until our hour was up. It would be fair to say that over the years I've had my share of punts across the full spectrum of god damn awful to okay to fabulous. I have to say that Michelle is off the scale. For that hour it was just two people connecting. Treat this lovely lady with respect or I just might have to turn into Mr Klitschko and track you down. I usually don't make repeat bookings but I will definitely be seeing Michelle again.
