The Premises:

Two firsts for 007 today. A first visit to Amanda and a first visit to One2One's new location in Hatfield. After quite a few years of visiting the previous flat it was a bit of added excitement locating the new place. As is normal the friendly efficient service from Moneypenny was spot on and I had no problems in finding the new venue in the town centre. Free parking within a few yards, the flat is on the first floor above shops and accessed by an external staircase which exits on to a landing adjacent to the entrance door of the flat so no need to walk along the landing passed neighbouring flats! It's a large flat, freshly decorated and newly furnished. All felt safe and discrete and fit for purpose. As with all 5 current One2One premises only the lady booked is present.

The Lady:

Amanda is a tall, very attractive lady (I'd guess late 30's/ early 40's as her age is not stated on her profile on the website). For a first visit I found her very welcoming and I felt immediately at ease with her. She is of Russian parentage and has a delightful accent to her perfect English. She has a lovely well proportioned body and attractive face and green eyes with short cut and shaped black hair. Her pictures and profile are pretty accurate.

The Story:

Amanda is obviously very accomplished at her art. We stripped naked and she readily accepted my suggestion that I give her a "007 tantric massage" using my "secrete" 007 massage lotion. I had a "ball" massaging her lovely body with first my hands then body to body and then tongue in to a very tasty pussy. This certainly aroused me and seemed to have a similar effect on her. She then turned her attentions to my old chap, giving me probably the most stimulating OWO I've ever had, top notch. Before my horse bolted the stable, rubber was donned and we fucked in a few positions (mainly her on top whilst I was able to fondle her lovely orbs). As my horse began to gallop to the finish she got rid of the rubber and my happy ending came between a combination of hand and mouth. With no consideration to clock watching, Amanda then gave me a good massage with lots of nice conversation interspersed with open mouthed kissing.

A great "punt" with a lovely lady. Amanda gets the 007 5* stamp of approval.
