More than adequate

The Lady:

Her pics are a fair reflection (although touched up a tad as with any agency). She has a great body toned very nicely. She is a fair bit older than 25 quoted on her profile (I would guess mid 30s). Dont let that put you that experience and expertise is invaluable and she still looks great

The Story:

Alex is truly something special. If you are a connoisseur of pussy? Alex is someone you have to try at least once

Alex only appears from time to time these days so can be a little hard to schedule but well worth the effort

Probably the best fuck of my life (certainly top 3? Izabel from Maxes being up there as well)

Lived up to her reputation and more. She seemed to live and breathe sex

A great woman to chat with as well.

There was lots of foreplay to begin and throughout.

Her stamina with regard to Facefucking was incredible I had her gagging on my cock again and again and she came back for more and more.

My first pop was all over her lips and chin. A sight to behold

Not long before I was fucking her pussy and Ass. She takes Anal like a pro. It was amazing. I was cumming again.

Some more facefucking and this time she finished me off with her tongue deep in my Ass and an incrrdible hand job.

All in all an unforgettable experience. I tend not to revisit escorts (even if they are great) but Alex would be an exception.
