The Lady:

About 5'2", olive skin, size 10. Long black hair, great curves, with a lovely smile. Built for fun and did not disappoint.

The Story:

Lilly came in to the room with a lovely smile and a welcoming kiss. She was soon all over me, undressing me and grinding her peachy arse into my stiffening cock. We snogged for a while as she pushed my cock between her legs and rubbed herself against it. Then she took my fingers and placed them on to her wet pussy and encouraged me to rub her clitoris as she became more and more moist. This was followed by some great OWO and ball sucking. Then on to a good session of RO, during which Lilly produced some really moist, thick juice from her pussy. Nectar!! Then it was time for a fuck and Lilly was great. Cowgirl, doggy and finishing in mish. Lilly also loves having her ample tits squeezed at every opportunity. I had a great time with a lovely Latino woman, who I hope to see again.
