The Premises:

Down some stone steps, in a pleasant flat. Bedroom comfortable. Shower not of best quality, but bathroom clean. Friendly and helpful maid.

The Lady:

Tall, slim, very attractive, clean, well presented, well spoken, age in line with description on website.

The Story:

Harper - formerly Arabella, apparently changed by management request to sound more English (which, if it matters, which it really should not, she is). Greeted me with a gentle kiss, followed by some exquisite attention to my nipples which got me ready for anything. Very good work with her mouth, which I had to stop to allow for other stuff. Hugging, kissing, more oral. Condom on, followed by reverse cowgirl, cowgirl, doggy (because she said she liked it, of course I did too), and finished all too soon in missionary. So the physical side was great, and she was just so friendly and easy to be with that it felt for that time like being with a girlfriend, a clever girlfriend with some wonderfully sexy skills. Highly recommended.
