The Story:

This experience has to be one of my steamiest raunchiest sessions in a long time however it did take some time to get things going obviously because it was are first time in the room together

I had seen sienna the pervious week when I was in the reception area when I was visiting one of my ex sandys girls and the sight of her booty walk past me simply cast a spell on me and I wanted it

So the following week I phoned up booked her for half hour and Carly for half, girls I don't really know I normally only book for half just to get to know them alittle see if they provide the a service I like

Unfortunately when I arrived I was informed that Carly was going home would I like to book with another lady I was unsure who to book with so I suggest see how this goes

Sienna showed me to her room I just simply admired her while luscious curves

I showered up got fresh and shortly she popped in looking really sexy I was hard straight way she suggested a back massage which I normally like however I declined

I asked for a Gfe which is a must for me she smiled straight into dfk which is a must for me if a lady doesn't do this I probably won't bother seeing them

However sienna does obviously at her discretion

Owo she gives the wettest sloppiest blowjobs in town at this point I had to have her longer so I extend to an hour with this beautiful honey

Loads of owo in loads of different positions loads of kissing

I had to return the favour reverse oral her pussy tastes sweet like honey

69

The main course sex in many different positions

And finally finished off by coming all over her booty

I was really surprised with the amount of cum because I had a quickie with my girlfriend that morning before she went out (hopefully she never reads this or I'm dead haha)

Even sienna was like that must feel like a big relief we both cleaned up got a shower and I chat got to know her a little more and looks like I'm going to be a regular now
