### The Premises:

A usual Annabella's place in central Milton Keynes. Loads of cheap parking nearby, seemed to be a fairly quiet area. On arrival I was shown into a room by the maid. The room was clean and tidy, not the biggest but perfectly adequate. Shower facilities are available, although I didn't make use of them.

### The Lady:

Sasha is an attractive & confident girl. Mid 20s, great boobs - very much as per the website, no nasty surprises here. I had contacted Sasha on social media before arranging my visit & she was attentive to my requests for a meet. Sasha really did go the extra mile to ensure that I got the most out of the session.

### The Story:

I requested a domination session and Sasha was happy to oblige. Sasha started by giving me OWO, which was all very enjoyable, and then switched into dom mode. I'm not going to go into minute details, but the services I received included strap-on, face-sitting, foot worship, spanking and cbt. Throughout the session Sasha was very good with her verbal humiliation. I'm still fairly new to the dom/submission scene, but this was the best dom experience I have had so far. It truly was an incredible feeling to cum whilst Sasha was thrusting a large strap-on up my bum. If you're into being dominated then check her out.
