The Premises:

Very clean, comfortable, well maintained, fit for purpose building with en - suite shower & plenty of free parking in the vicinity. Arrived a tad early so give a drink and chatted with the gorgeous maid Millie in the kitchen until the room was free.

The Lady:

I'm normally a blonde man but Rachael may have converted me to brunettes! Facially very very pretty with a warm radiant smile, long legs, pert bum, fabulous pair of breasts with nipples like doorstops & slim & toned.

The Story:

Greeted with a cheery smile & kiss on cheeks, opted for the body to body massage, a real no brainer with a body like Rachael's in front of me and sorted the finances. I undressed in record time and soon Rachael unleashed her puppies and what a sight they were to behold. Face down on the couch as Rachael rubbed oil into my back and legs and eventually reached under me to massage my old fella, heaven. More of this then Rachael rubbed that fab pair of tits on to my back and bum, could feel her nipples against me and as she stood at the top of the couch she removed her tiny black knickers and as I looked up to see a beautiful shaved pussy inches from my face. Turned over so Rachael could have access to my front and I could take in her amazing face & body. Plenty more body to body with Rachael rubbing herself all over me and more oil and massaging of my cock and balls with eye contact all the time before bringing me to a memorable climax. Offered another drink or shower before I left. Fantastic experience with a delightful & sexy lady that I will repeat at the first opportunity.
