The Lady:

Beautiful lady. The best indian girl that i have met in industry. Truly a bollywood beauty who comes from heart of bollywood - mumbai or Bombay as it was called in olden times

Kissable lips.. perfect body.. a bit delicate though and very tight down under. If you want rough sex or pse type experience then she might not be the one for you.

The Story:

This is my third meeting with her and everytime it gets better. She recognised me immediately and got kissing right away. Warm light kisses to start with that turned to a but of snogging... enough to get me hard. Off came clothes, money exchanged and on to bed for nice tease, lots of kissing.. covered oral and then sex with her on top.

On the way out had a good chat with her. She did mention that she doesnt like oral without and doesnt like kissing people who dont have clean breath. So dont be offended fellow punters if you are denied service for not being fresh.

I have seen many girls at HoD.. Starting from veteran Petra, carla, ella, pixie, yana and Amira is another great addition to the list. I dont think i will see anyone else for time being. Left her additional tenner for wonderful memories.
