The Lady:

Stunning tall mixed race goddess with an amazing body. Completely beautiful and sexy with a wonderful soft well educated manner and gorgeous voice. Did I mention a firm kila ass!

The Story:

Ashley walked in with a lovely sexy smile. We stood next to the bed and french kissed whilst I moved her left leg up on to the bed revealing a wonderful pussy. I moved her tiny g-string to one side I wet licked my fingers and began to softly rub her clit and soft stroke her slippery pussy lips. She groaned and kissed me deeper with full wet tongue as she welcomed my fingers playing on the outside before driving two fingers into her now moist dilated hole.

I removed her panties and moved her to the bed and began to eat her pussy and arsehole from behind with her in doggy position and legs spread wide. It was an amazing sight (see profile photos with Jai). I rimmed her further alternating between her ass and her pussy fingering both. Ashley loved this, opening her cheeks which her hand behind her back repeating " yes ... oh yes ... oh yes ... don't stop.... yes!" This is one horny girl.

I moved next to her for more passionate kissing. She then moved me on to my back. I then received what can only be described as possibly the best OWO I have ever had..... and I have had a few! Her beautiful full lips sealing around my cock and her mouth went up and down my shaft with mesmerising eye contact. She was something special and seems to have vagina in the back of her throat. A unique feeling and one I will never forget.

I got her then into a doggy again and slowly drove myself into this gorgeous girl getting quicker and quicker looking at a perfect sight of ass and slender back. I flipped her over and enjoyed a beautiful sight of this attractive girl with her athletic legs open wide with me between her. About 10 mins later as I began to climax she spread her pussy with her fingers I pulled off the the rubber and

drenched her lovely pussy and lips in my cum.

Ashley is a unique punt. The chances of most of us guys meeting someone like this normally is so remote. This was one of the best sessions I had enjoyed and urge my fellow punters to visit her at least once..... she is a complete goddess who seems to have studied the art of great sex coupled with beauty and intelligence.
