### The Premises:

Annabellas well known in Milton Keynes, flat above Estate Agents

### The Lady:

Pixie by name and Pixie by nature, just like her photo's and Michelle again like her photo's.

### The Story:

Birthday treat the best two girls at Annabellas in my opinion. Have seen both separately in the past and get on really well so a great double act. There are many younger things at Annabellas but believe me these two are in the Premier league.

Great time all round, Michelle feeling bad as someone had hit her car earlier - this girl loves her Audi but Pixie soon gave her pussy a good licking that made her feel much better. Then we gave the same attention to Pixie. Did I forget to say cock was always in someone's mouth. Pixie rode me as I was her first punt from being away for 3 weeks and she was gagging for it.

Overall the best Birthday present ever must repeat soon, would recommend both girls individually and a double act.

Hope you get your flight compensation Pixie - free blow job remember.
