The Premises:

Nice little flat, well decorated and clean. Quiet location with parking nearby

The Lady:

About 5' 6" tall; slim build (yes, really about size 6) with a pair of large tits - and she doesn't mind them being fondled! Lovely face - elegant and well made-up Good skin. Good english. She probably is around 23 - could be a little older.

The Story:

Smallish bed room (but OK for the job!) Big smile when Alyssia came into the room, but not much more than a closed lip kiss. Chatty girl with good English. Onto the bed and a little wanking to get my friend hard. On with the rubber and some good OW. Followed by a little Cowgirl (well done); doggy and then plenty of missionary. I was getting ready to shoot my load when she decided a little more lube was required - fine by me as the 'rest' meant I could go on longer before the inevitable happened. In summary; a good shag with a slim, attractive girl.
