### The Premises:

Nice. See previous reports.

### The Lady:

Look at the pics, she is a total stunner. Go see for yourself if you like blonde model types. Slim, perfect skin, toned, leggy.

### The Story:

Amazing. She came in whilst I was showering. She looked hot. My dick started to harden in the shower! I got out of the shower with a massive hardon which she made a nice comment about. I laid on my front expecting the usual massage, but instead Jayda just went for my dick and balls, so I had 30 mins of oily hand/boob job. I wasn't complaining. I laid there letting this goddess tease me senseless until the inevitable huge orgasm. Incredible.
