The Premises:

Excellent. Had the back room which is the best.

The Lady:

Poppy - Stunning. Amazing boobs, fantastic legs. perfect.

Jess - Hottie. Curvy in all the right places.

Both girls complement each other and the quantity and quality of boob between them is huge!

The Story:

Having seen both girls separately, I just knew I needed a sneaky xmas treat with both. 4 hands is amazing, I lay face down for first 10 mins or so, one pair of hands teasing my balls whilst the other pair massaged me. They kept changing so I've no real idea who was where.

On to my front to watch these 2 stunners oil me up and tease me for next 15 mins. It was heaven. The ending was out of this world, a girl each side, jess's had around the base of my dick, poppys around the top half, both of them slowly wanking my in perfect harmony. During this I was squeezing poppys boobs with my left hand and jess's with my right! I had a massive superb orgasm and they kept going till they had every drop.

Gonna go for an hour of this next time!

Thanks girls xxx
