The Premises:

HoD2, basement flat a 10 minute stroll from Victoria station. Two bedrooms, nicely furnished and clean.

The Lady:

Tall and slim English blonde in her thirties. The photos on the HoD website are accurate, but their twitter stream gives a better impression of the ladies as they are often taken on the day and show them in that day's attire (or lack thereof).

The Story:

Unusually for HoD, the schedule had gone a bit pear-shaped. I arrived on time for my 3:15 appointment, and was shown into the utility room for a minute while another client was leaving, then moved to the lounge. As it turned out, waiting in the lounge was quite a pleasant way to spend ten minutes as Chloe was sitting in her underwear on the sofa opposite me. I memorised that picture and filed it in the wank-bank for later use.

Anyway, onto the main event. I was shown into the bedroom and waited a few minute for Harper, who appeared wearing hold-up stockings, a one-piece undergarment and high heels. After sorting out the money we started with kissing and caressing while standing at the foot of the bed, then after getting undressed we made ourselves more comfortable on the bed. Harper gave me a quite sloppy and intense covered blow job, then climbed on top for some cowgirl action. We changed to missionary and then a spooning variation. We were both getting quite hot and bothered so after a brief rest we resumed with reverse cowgirl, then Harper sat on my face while I wanked myself off. She came before I did, so she lay by my side and we kissed and cuddled while I brought things to a conclusion. All in all another enjoyable trip to HoD.
