The Premises:

A very clean and luxurious apartment in Kensington. Nice shower and lightning. Absolutely safe and not conspicuous. Do ask clear instructions regarding finding the entrance to the building as that was a bit complicated.

The Lady:

Italian very stylish lady with gorgeous body. Dark long hair with radiant eyes. Slim with very cute bum and nicely shaped breasts (32B) and nipples that invite to suck. I noticed her profile on the Backpages but she doesn't seem to have a website. Their it says that she is 27. Her height is about 5FT 6. Dress size is an 8. The pictures I saw on the Backpages are genuine. I was offered a refreshment and a clean towel.

The Story:

Elizabeth communicates very well and is very friendly and approachable. She uses email and phone via What's App which was very easy. Her email address is naughtyelizabeth@gmail.com So making the appointment was very easy.

After she opened the door the ice broke quickly. We had a bit of a chat and after I came out of the shower the party began. And a party it was lol. On my request she wore a nice black set with black heels. We started hugging, stroking, exploring and soon her bra came off revealing her breasts that were a delight to play with. We retreated to the bed and got into mutual massage before I started exploring her gorgeous and well shaven pussy. She is very direct and directive which makes it both relaxed and easy to please her. She is a great kisser and FK was a pleasure. Next we moved into 69 and she treated my balls with delicious licking and tugging. Then I started exploring her cute ass and did her back with body to body and stroking her with my cock. Next we got ready for a nice finals where she upped her ass for a lovely anal finish whereby she fingered herself to completion.

This lady has class. It is not often that you see an escort who really gives you the feeling to go the extra mile. She does. A lady with personality, a lovely body and excellent sexual skills. I will

definitely return.
