The Lady:

Both Jess and Poppy are lovely, sexy ladies especially if you like the larger breasted lady! Both have fit bodies.

The Story:

Phoned early in the morning as fancied a 4 handed massage and knew both Jess and Poppy are popular, I was in luck and they were both free early afternoon, and was even offered the two girl special.

Both ladies walked in and gave me a kiss on the cheek, I had a quick shower to freshen up which I think all ladies like the men to do. Then it was down to the massage. I had had a 4 handed massage with the same ladies before but only 30min so I knew they got on well and we all had a laugh and chatting through out the hour.

Both just know how to tease the right amount and also give a good soft and relaxing massage, the hour flew by and soon time for the ending which was spectacular to say the least.

Would definitely recommend both ladies - you will not regret it. Thank you ladies.

PS Enjoy next Tuesday!!
