The Premises:

I have seen Emma quite a few times always at the same location. The flat is always very clean and the bedroom is very tidy and everything is well presented. The bathroom is very tidy with a wide array of products to freshen up with. Parking can be a bit tricky but it very close to Marylebone station

So public transport is your best bet.

The Lady:

Emma is a very busy lady which I love. She is English and is very eager to

Please and make you feel welcome. She has lovely curves and the photos are spot on. There is a large variety of outfits and whips etc if you enjoy that.

I would highly recommend a visit to Emma as she is a lovely lady.

The Story:

I don't kiss and tell too much but she is very accomadating to most requests. (Which is why I go back so frequently)
