The Premises:

Hi Met Linzi at a local hotel In Woking.

The Lady:

Well what more can be said when she open the door I knew that I had made the right decision, the description on her web page is a true reflection on her in fact she looks better in the flesh.

The Story:

I had a shower before the fun started as I had only just finished work and felt that it was the right thing to do,.

Linzi was very welcoming and friendly and makes you feel comfortable in her company with a very good tongue movements over the little man which I managed to hold and not explode.

I then put the condom on where all I can say that I had a fantastic time with this lady.

Linzi has got a fantastic figure and knows how to use it, on you , at no point did she clock watch and kick you out on the dot. after the meeting had finished I had a shower to finish off.

All I can say that please treat this lady with RESPECT as she is one fine lady who deserve the best and I can't wait to see her again very soon.
