The Premises:

Well known flat near John Lewis in MK. Plenty of parking and discreet entrance. The flat is well appointed and the shower is great!

The Lady:

As per pics, little or minimal airbrushing. Late 20's, slim, small boobs, fab arse!

The Story:

I had contemplated booking Michelle for a while after being introduced to her on a previous punt with Ella when they were working in the same flat, so I decided to take the plunge.

Comms were simple, I requested WS with enough notice, and was directed to one of their well known flats near John Lewis in MK.

Having seen her before in the flesh, I knew that her photos were accurate with minimal airbrushing.

After a quick chat about what I wanted interspersed with some DFK, I was asked to lay face down on the bed. I usually avoid this as I view it as a classic WG timewasting move, but Michelle proceeded to caress and tease me before she started to play with my butt. She played with a range of toys ranging from a small butt plug, to a large strap on, before finally using my own large plug on me.

I turned over and the anal play continued but with plenty of great OWO, DFK, and some WS. I spanked her firm butt, which she said that she enjoys along with her tits being roughly played with. Michelle asked where I wanted to finish and I opted for her small but lovely tits. When the moment arrived, she took the majority of my jizz in her mouth before dribbling it over my cock.

It was a really enjoyable punt with an open minded WG who delivers on all of her listed services, I would certainly revisit.
