The Premises:

Louisa has a private apartment located in Soho, just a quick walk from the tube station. She has a four poster bed which I must tie her to someday. The bathroom is right next to the bedroom. Everything is neat and clean and any toiletries you might need are provided.

The Lady:

Many of Louisa's clients compare her to a young Liz Hurley and I definitely see that (I'm thinking the movie Passenger 57). She's beautiful and it's hard to take your eyes off her. Slender, fit body that looks particularly great in lingerie or a short pleated skirt. Just the most perfect little bum to spank.

The Story:

This was my third time seeing Louisa. She is selective about who she spends time with so I feel lucky to be able to enjoy her sophisticated company.

As a submissive escort, I couldn't ask for a better partner to take the first steps into exploring my dominant side. We talk through exactly what I am looking over email beforehand and chat again first thing at her place which makes me feel relaxed.

Louisa not only wants to understand and fulfill my desires, she is genuinely fascinated by my kinks.

She's very open minded and brilliant at acting out a roleplay, that's probably what I like best about this lovely Londoner. I knew Louisa is an avid reader, so I gave her a quirky old erotic novel as a gift. Looking forward to hearing her review of that the next time we meet.
