The Premises:

Discrete location, entrance to the premises is not obvious from the Car park behind the shops.

The Lady:

Bonnie is more attractive than her accurate photos when undressed. Bonnie has an engaging warm smile, bright eyes, very kissable lips and sparkling teeth. Small boobs, long legs, pert bum, make a perfect package.

Bonnie is tall in her heels but is around 5'4 inches in bare feet.

The Story:

Bonnie entered the room in a new white baby doll outfit, and greeted me with a warm welcoming kiss. She slowly removed my clothes and commented on my aftershave and handcream, which put me at ease and I felt the start of a good time ahead. She slowly removed her Knickers and babydoll top and we moved to the bed. The next 30 minutes was bliss, she changed from on top, underneath, side-by-side, 69, all the time increasing my pleasure. Time went too quickly. I wanted more so Bonnie confirmed the room was still available, so we extended for 15 minutes and ended with a superb OWO.

I am already planning my next visit to MK so I can return to see Bonnie again. An excellent visit.
