The Lady:

Very attractive, 20 something, reportedly and conceivably Venezuelan but in appearance could be anywhere from Latin America or Europe, above average in height, slim, large breasts probably enhanced but a good job, closely cropped pubic bush, unblurred photos on her profile provide a good impressions.

The Story:

With 2 PNet reviews to her name, both very positive, only one linked to her profile, Nina must be the HoD group's best kept secret.

Her unblurred photos first brought her onto my radar and together with the services shown as being on offer, she went straight to the top of the must see list. But it took a while to synchronise availabilities.

She entered the room within a couple of minutes of my arrival, looked pleased to see me and immediately initiated dfk. Her technique is exactly the way I like it (very different to many other HoD ladies who offer fk) and was very enthusiastic. It came as no surprise that this activity predominated our time together. Before I knew it, it was time to prepare for the finale but I still hadn't had enough of her. Nina picked up on this and said that the room was free immediately after if I wanted to extend by 15 minutes. I didn't need any persuasion.

We continued with more dfk, frottage, ro (which she gave all the impressions of enjoying highly), fj, owo and finishing with cim. As I dressed, she told me that I was very nice and it was good that we connected with each other. This might have come from a script but it was certainly true that the chemistry between us felt right and there was nothing mechanical nor perfunctory about my experience with her. In fact, I would say that she's in the premier league of incall providers and pretty close to the top.

As I left, she said that she'd hoped to see me again soon, a civility I always appreciate. I felt satisfied mind, body and spirit which for me is the optimum outcome of a punt though one that is only very occasionally attainable.
