The Premises:

Well established venue, clean, comfortable, well maintained and with plenty of free parking nearby. Today I was in the largest room with lots of strategically placed mirrors. Greeting from Rachael on the way in was nice.

The Lady:

Yet another stunner at Ego. Very pretty leggy blonde, nice pert bum, beautiful formed 34b breasts with amazing nipples that respond to a light touch and stand to attention like my cock when I saw Melissa's perfectly formed fully shaven pussy. Nice smile, self deprecating sense of humour and the softest of skin. A delight to behold.

The Story:

Couldn't take my eyes off Melissa as she peeled off her turquoise bra and thong leaving her just wearing a sexy pair of stockings. Face down for the best massage ever, back, legs, arms and head and when Melissa leant over my head I had the best view of that perfect pussy. A couple of reach unders to massage my cock and balls and she climbed on my back, brave girl, rubbing those perfect breasts and nipples all over me. At the command to turn over I was more than ready and what followed was a master class in teasing and building me up to a climax which was delivered in style by Melissa's expert action. Yet another fantastic session with a gorgeous lady. Quick chat with Millie on the way out and at the risk of being too personal and getting barred, she would not look out of place in a massage uniform with the other lovely ladies here.
