The Premises:

A flat in Central Milton Keynes up near the post office. Pleasant quiet location, and clean as usual.

The Lady:

Tina is from Eastern Europe : attractive, slim with dark hair. Medium sized pointy boobs, with a very tanned body from her recent holiday. She speaks good English.

The Story:

There is a key pad buzzer entry to the building.

When I reached the flat I knocked on the door and Tina answered and showed me to the room.

She asked me if I would like a drink. I asked for some water.

She left the room for a while, and I started to undress, then she returned with my drink.

Tina asked me what I would like to do - I said kissing and cuddling with oral on her.

I stripped off, walked over to her near the bed and we had some moderate kissing and touching each other.

Then we got on to the bed and she took off her bra, soon followed by knickers off as well revealing a lovely naked Tina!

I played with her boobs, but I don't think she really wanted too much of this : she didn't say no or stop, but she put her hands there.

Next she got into position for me to lick her pussy. Starting differently to my usual experience, she faced me and lowered her body

over my mouth for this. Then she changed to 69 and she pleased me while I licked her. Then more oral without mixed with hand play.

Now I suggested that she put on the condom for sex. She got on top with her back to me for a little while, but I asked her to turn around and face me as I much prefer it this way, so that I can see the girl's boobs.

Finally she returned to hand play on me - lovely and steady until I couldn't last any longer. I think she enjoyed seeing me cum. and commented on it.

Thank you Tina, it was lovely to meet you and I hope to see you again in the future. x
