### The Premises:

I like Caroline's in call location in Paddington. Her flat is in a nice building and her room has good size and has a private shower room. She shares the flat with 1-2 girls (changes often), but Caroline has the big and best room there.

### The Lady:

Caroline is a very pretty girl with the most amazing eyes. She looks like her photos. Polish. Blonde. 5'6 tall. A few small discrete tattoos. Navel piercing. Outstanding sensual charm and passion. Extremely responsive. Highly nymphomaniac.

### The Story:

Several times I've had the pleasure of meeting this amazing sex goddess. Yes, that's what I think of her. She really stands out as having the most intense sex drive I have ever encountered. She is famous for this quality. To have the "Caroline experience" has been one of the most mind-blowing experiences in my life. Borderline obsession I developed with this girl I must admit. She is also an amazingly sweet, pretty, friendly and romantic girl. Such a sweet lovely girl that also has this nymphomaniac passion boiling inside her – this is such a monster turn on!!! She is in my opinion an ultimate escort when looking for a mind-blowing sex adventure. Her charm and charisma is absolute top level. Clients must often talk about low levels of passion, enthusiasm and service mindedness among some escorts. In Caroline's case, you must rather ask yourself if you dare to meet her, where are your limits, do you even know? Bang on action and she will push you, this is her style. Good idea to have a medical team standing by for you (that is not entirely a joke). I have pushed the Caroline experience very far, all revs praising this lady is a reality, I know for sure. In some ways, there is no one like Caroline. A real living sex goddess she is.
