The Story:

Even though I've been a regular customer at Annabellas and HoD, it's my first ever review and sadly it's not a positive one. In fact the experience was so poor, that I was compelled to leave a review.

I've seen Roxanna once before - when she just started (a few months ago) and everything was fine - she was friendly and did most of the services.

This time round she was clearly disinterested and it made me feel that she was there only for the money and didn't enjoy sex at all.

OWO barely lasted 5 seconds, refused to kiss (saying 'i don't do this'), refused standing-up position, so my only choice was doggy and mish. After my question if I can cum in her mouth, said she stopped doing it, accompanied by a lecture of how dangerous it was. That's fine by me, but when I asked her if I could cum on her face instead (I was honestly wondering where I can cum, so asked questions in order to find out), she started telling me off that I ask inappropriate questions and it offends her. Yes, it was as ridiculous as it sounds. This lady has clearly got an attitude, and there was this unfriendly vibe throughout.

I'm sorry to say but I've never experienced this sub-par service at Annabellas before. Perhaps this girl is working a lot and has started to dislike what she does. If they keep employing girls who don't like sex, they'll start losing customers. I'm certainly going to look elsewhere after this miserable experience.
