The Premises:

HoD3 in Pimlico. I hadn't been to this venue before and was a bit confused by the doorbell when I arrived. Once I'd figured out that there is another door just around the corner it was fine and I was soon in the venue. As usual for HoD it was clean, tidy and immaculately furnished and decorated.

The Lady:

Both girls are accurately described on the website and their photos are up to date. Both are slim, have great bums and natural boobs, one blonde and one brunette. I can't quite remember what they were wearing, but suffice it to say it was minimal and didn't stay on long.

The Story:

I hadn't met Pixie or Danielle before, but they've both been on my "to do" list for a while. When I saw they were both at Pimlico today I decided to jump in with both feet and go for a threesome. Went for 45 minutes as I didn't think 30 minutes would be long enough and an hour might kill me. I didn't have a particular agenda so was happy to go with the flow. The girls hadn't played together before but they soon got the hang of it. After the introductions and undressing the girls got down to the business of giving me a blowjob as I sat on the edge of the bed and they knely on the floor. We soon moved onto the bed and Danielle sat on my face as Pixie continued the BJ. Danielle then put an orange flavour/colour condom on me, which quite amused Pixie. Cowgirl position from Danielle while Pixie joined in from the side. After a change of condom Pixie arranged the full length mirror so we could watch ourselves as we went at it doggy style, as Danielle lay alongside and played with herself. As it was quite warm in the room (my only criticism) I was getting overheated and knackered by this stage. So we took the condom off and the girls continued a double BJ as I knelt on the bed. Finished off as we started with Danielle facesitting and Pixie bringing things to a CIM conclusion. We had a few minutes left, I needed a shower, and Pixie joined me for some soapy action in the en-suite bathroom.

I've had a few threesomes and this was up there with the best. Highly recommended if you get the chance.
