The Premises:

The usual clean and tidy flat, lots of free parking, a nice desecrate location.

The Lady:

Bonnie is a truly beautiful lady with a wonderful personality, In my opinion you would have to go a long way to find another lady as naturally pretty and as friendly as her. she has such a great bubbly personality that is so honest and just makes your time with her such good fun.

The Story:

The maid greeted me and showed me to a room, a few minuets later Bonnie came bouncing in with a lovely friendly smile and a gorgeous sexy figure, I could not believe my luck she is my idea of perfection.

After introducing our selves she gave me a lovely sensual kiss, kissing is really important to me i always think it makes my time with a lady so much more personal, when the kissing is good the connection is so much better.

We then got down to some oral and sex in different positions which was truly sublime, this lady really knows how to turn you on, she is genuinely caring about your experience with her and takes her time to make sure you have a wonderful time.

Unfortunately my time with Bonnie soon came to an end, we had a quick chat and she showed me to the door, by the time i left it felt like i had made a new friend she is so lovely and should be treated with great respect and kindness, as she dose to others. Its so obvious how much she enjoys he job.

i will deferentially see Bonnie again shes a truly amazing lady.And incredibly sexy too!!

See you soon Bonnie xxx
