The Lady:

If you want a skinny girl look else where. If you want a curvy girl with a great bum and boobs then Shantel is the girl. She may be a touch bigger than the photo's but she is great.

The Story:

First time visiting Shantel, although I had met her briefly a long time ago whilst visiting another girl.

I requested Strap-on and Dom but explained it was more a Dominant girlfriend scenario as I like the sexiness and tension in Tie and Tease.

She certainly managed to deliver on every level. IT was sexy and a bit rough at times which is exactly what I wanted, she used a number of toys that I had taken a long.
