The Premises:

Based in Worcestershire, close to motorways, very easy to find. Not overlooked by neighbours, so nice and private. Parking is OK.

Inside is tidy and spotless. Not hot, not cold.

Very pleasant location. In fact, you could not wish for better.

The Lady:

Slim, petite lady. Honest about her age. Well toned body. She hides her face on her profile, but don't worry guys, I can confirm she is nice-looking.

The best bit is that she does have pubic hair. I absolutely love this on a woman and can't understand why so many girls shave nowadays.

The Story:

I have been seeing Kellie for a number of years. She has always looked after me professionally. She finds out what I like and does her utmost to deliver.

Once we get the money thing done with, I feel I am with my own girlfriend for the duration.

She seems to genuinely enjoy being intimate with me.

If you want to know what she offers, (apart from BDSM – which is not my thing) I can confirm her tick-boxes on AW are accurate.

The only thing I have yet to try is a double with her lady friend. Apparently, she shares the apartment with another girl who is always discreetly in her own room when I am there. I have never been in bed with two ladies so maybe that's the next sexual adventure for me.
