The Premises:

shared flat, she was based in the main living space. she made the most of the location, with some candles, and red lighting. slightly warm temperature wise, but not bad.

The Lady:

beautiful, petite woman... with a lovely bum. photos are touched up online, but in person she is very attractive. and her personality makes her a 10!

The Story:

gents, my 2nd punt in london, and the only reason i would ever punt again in london. she was a complete treat. sweet, funny, charming, a proper GFE!!!

but what really will last with me, is how much she tries to please you... every single part of the performance with her could not be better.

really passionate kissing, nice foreplay, DATY, rimming.. she gave me one of the best OWO ever...perfectly noisy sloppy, DT, finishing with CIM. i normally take long to cum with oral, but its clearly that all of the other women in the world are doing it wrong. and this was not even 20 mins in and we had not left the couch.

we moved to the bed, and this firecracker just loves sex.. got into great positions, was purring and groaning perfectly to encourage me, with a nice tight pussy. even let me try a-levels but i was too big so we abandoned the effort. ultimately, she rode me to completion, while having an orgasm herself!

This is what every punt should be....
