The Story:

Tara was amazingly welcoming. she is so friendly and has one of the warmest smiles with dimples i have ever seen.

The reason i booked Tara is that i really love sensual massages. She is definitely for the connoisseur of tantric pleasures. Her body to body contact is certainly a notch above the usual london tantric experience. Tara took me to places i haven't been for a while and she is highly skilled at slowly building up the erotic tension. Her eye contact is perfect and her sense of humour is very gentle and warm. All in all a really sweet girl and well worth a visit.
