The Lady:

Really? I mean, you've seen the photos on the House of Divine website, right? Do you really need me to tell you how amazingly hot this girl is?? Absolutely amazing body.

The Story:

She's usually referred to as a legend at House of Divine by the other reviewers and on the twitter feed, and it's very well deserved. When I saw her, she said of herself that she's 'a dirty bitch'. I'm certainly not going to call her (or any woman) a bitch but she's definitely dirty:) I don't like to share any specific details to be quite honest, but what I will say is that she gave me a fantastic experience which I hope to repeat soon.
