The Premises:

Relatively discrete. Few minutes from either Pimlico or Victoria tube stations. Good sized en-suite bedroom. Fit for purpose.

The Lady:

As per her photos on the website. Confident and sassy young lady, who has provided me with outstanding service 3 times now.

The Story:

Great DFK from the very start. Took a shower and when I came out Ella was on the bed fingering herself and playing with her nipples, which set just the right tone - both knew we wanted a good fuck. DFK and mutual groping on the bed for a few minutes and then a long session of OWO from Ella, along with a finger slipped up my ass. This was followed by a tit wank and more DEEP, DEEP fk. I then got Ella to kneel with her ass in the air, and proceeded to tongue her pussy and ass from behind. She introduced a vibrator in to her pussy and brought herself to a strong climax as I probed her ass hard with my tongue. More OWO and prostate massage for me, and then some missionary and more DFK as we discussed possibilities for the next meeting, including some possible threesomes (Watch this space). Finished with a combination of tongue and wrist bringing me to a climax in Ella's mouth, and then she slowly dripped the cum back in to my mouth. A most enjoyable hour with a woman who knows how to give as good as she gets. I will definitely be back very soon.
