The Lady:

Website photos pretty well spot on. I'd guess Ariel's age to be somewhere between 25-30. Very attractive with a lovely smile

The Story:

Top notch encounter with Ariel who only arrived a few days ago. Dressed exactly as requested Ariel gave me a DFK within a couple of seconds of walking through the front door saying how happy she was to see me. A great start which just got better as the time passed. Ariel was bubbly, enthusiastic and very energetic. I just about managed to keep up with her. Went through all her advertised services plus another one which wasn't listed . Don't know if it was just my lucky day but Ariel was fantastic, probably one of my best ever encounters. DFK never stopped throughout and Ariel kept asking if "I like" blimey I did like. Her english is quite poor at the moment but we managed to understand each other, no problem. And the shared shower was excellent. No time for a massage, but she insisted on showing me a short video of her dancing skills that she used to do in Thailand... very sexy indeed. And then she performed it right in front of me. A very special lady. Treat her nicely , she's new and I just hope she doesn't burn herself out. She's hoping to get some new photos and a video taken in the next few weeks.
