The Premises:

First timer, and wasn't really sure what to expect. Outside looks like a plain building. Inside was three big soft sofa's and a large TV.

Room, and bedroom was clean. showers in all the rooms, and a big mirror so if you want to watch yourself rather than the woman you are with... (why?) you can.

The Lady:

Legs.. legs.. and more legs... all wrapped in stockings that was pretty hard to not stare at.

Tall and slim.

Very friendly and instantly, although I was still very nervous, put me at ease and made me feel comfortable.

The Story:

I was nervous about just being naked when she returned to the room after paying my £65. She simply said, "come on then let's get those of," so confidently that I did just that.

Dani started, with a soft and oh so nice tits on cock massage. Wow. didn't take more than a couple of strokes before the ol' guy was up and ready.

Did 69, with the first shaved pussy I've seen in over 20 years, yummy.

Cowgirl. Missionary. Doggy and back to 69 to finish.

A special lady that will stay in my memory as long as I am alive, Thank You Dani. x
