The Story:

Fiona speaks very good english and made me feel very comfortable from the moment i walked in. I was offered a glass of wine which i initially declined being on my lunch break but she has mentioned she opened a bottle of delicious chardonnay last night which would go to waste if not drunk so in the end i accepted the offer.

Fiona has an amazing toned body and great legs. She smelled gorgeous

Now u may think that wine got in my head (only had a glass for the record) but her pussy smelled delicious ... oh some sweet fruit smell that i could not really pin , i asked her if that were peaches but she smiled and said thats her sweet secret and if i find it tasty can lick as much i want!

Oh she really got me hard , she has the girly innocence about her but she knows what she is doing! And the dirty talk is not very very dirty but does get you turned on as hell.

The hour flew by and i did not realise how fast it was. I have met many girls at different price range but must say although it was not my best punt ever it sure was was one on my top list.

Unforgettable oral and i hope for both of us, thank u "sweety" x
