The Story:

Yesterday had the privilege of visiting Kirsty (in MK). She has been in my hotlist for sometime now and I candidly admitted to her that I have been masturbating to her pics ;)..she loved it!

I rarely write about my punts infact Kirsty is the first girl I am writing about - Kirsty was absolutely mindblowing! Her body, face and her top class pussy was heaven! I spent quite a lot of time sucking and licking her pussy juices which tasted divine, rimming her ass hole - she sat on my face for 10+ mins making the right noises while opening up her pussy for me to lick and guiding me - what a sight! before fucking her in cowgirl and finished with a CIM - she took my entire cum and sucked every drop of it..While giving her a reverse oral she cummed and asked me to lick her cum! I can still hear those words and the taste of those flowing juices is still making me horny for more! the way she was sucking her fingers while I was fucking her and then she dipped her finger into her wet pussy and asked me to lick those juices! blimey!

I have punted with several girls over the years - Kirsty is the best I have ever had sex with. Top class..cant wait to fuck her again soon. Kirsty, I dont think I am going to forget you in my masturbation heaven for ever! - cant wait to see and fuck you again bb.
