The Premises:

Discrete location but easy to find.

Nice reception area and great to see the three girls available.

The Lady:

Beautiful, tall, busty but slim. Very pretty face and a lovely smile to compliment her Midlands accent. Some quite bold tattoo's which I am not normally a fan of but actually became a talking point and they didn't put me off at all.

The Story:

My first time and got caught up in traffic so I called ahead to apologise for being late!

Not a problem, but after a little confusion where the receptionist didn't realise that I was the person who had booked Holly beforehand (no bad thing because she asked the girls to come out to meet me... Wow), Holly came back and I followed her up the stairs. What a sight, her tight little bottom sashaying before my eyes, incredible. I won't go into too much detail but suffice to say that it was a wonderful, sexual experience, getting me hard with her tongue and lips as I fondled her magnificent breasts and moved her around for a taste of her pussy, just fabulous.

Eventually it was condom time and sex. She asked if I wanted to cum in her mouth but I decided to save that for another time. The sex was great, simply great and I came inside her, fully satisfied.

100% recommend Holly and I'm looking forward to the next time.
