The Premises:

Very nice neighbourhood and easily accessible by the tube. The flat was light, simple and did the job. The shower was also very good.

The Lady:

Evelyn is a stunningly beautiful brunette with an incredible figure. She is 24, average height and matches her photos exactly.

The Story:

Evelyn is a stunning brunette with a smart, sophisticated and romantic look/personality. She also has a very sexy and kinky side to her as well when she takes off her clothes. Evelyn has a body to die for and a great bum which is usually my type. She gave the best topless erotic massage which was perfect after a stressful business trip and then she gave amazing OWO. She loved being fucked in every position and rode me like a pornstar (a sophisticated one). Overall Evelyn was a delight to be with and I will be returning hopefully in the near future.
