The Premises:

Well known parlour, been there many years, nicely done inside.

Seen a few of the ladies there , there are cheaper places around, but all the ones I have seen have been great,
and well worth it.

The Lady:

Wow! Drop dead gorgeous, quite small , long blonde hair, very pretty ,well-spoken , and very easy to get on with.

I didn't realise till she told me, I was the first person she had seen on her first day back after taking a year or so off.

The Story:

Paige looks like the stunning young lady most of us would stare at in the street , and think , if only... Well it's possible! But the added bonus is, apart from her looks and personality ,she absolutely loves what she does!

Highly recommended
