The Premises:

Discrete basement flat. Very clean, showers are available. Drinks are offered.

The Lady:

Her profile picture says it all really but she's extremely beautiful. Great smile, amazing ass and a perfect set of breasts.

Her English is excellent and she is bound to put a smile on your face with her humour.

The Story:

This is the second time I have seen Sophia.

I was welcomed into the flat and invited to wait in the room as Sophia wasn't free at that moment of time, I didn't particularly mind as Sophia is well worth the wait.

When Sophia was free, she came in wearing the most breathtaking lingerie, stockings included (and I do love stockings).

We hugged then sorted out the paperwork before sitting and talking for a few minutes. Now this lady has a great personality, so I could of probably talked to her the whole time but I digress, she had me laughing a fair few times.

She asked me to lie back then gave me OWO which had me hard in no time at all, after 10 minutes of that she slipped a condom on me and then started to ride me.

We switched it up a few times position-wise till I finally decided it was time to cum, she then gave me an incredible handjob in which I finished on her breasts.

I left feeling incredibly satisfied and would definitely visit Sophia for a third time.

Treat her right gents and she'll take amazing care of you.
