The Premises:

Nice centrally located apartment with ample parking. As always apartment was very clean and tidy.

The Lady:

Carla is not only beautiful and sexy, with a fantastic, naturally curvy body with amazing boobs to die for, she is a really warm, down to earth girl. Her down to earth attitude makes her even more beautiful. Carla's photos are totally accurate, but don't do her justice.

Carla's been a must see for me for quite some time. She is one of the most popular girl and a very difficult one to get hold off.

The Story:

I have been meaning to write this review for a long time. I have seen her twice and every time my experience's been amazing. Best part is that Carla loves her job and it shows; her kisses are sincere and unusually deep and she has no inhibitions about anything, makes you feel welcome, Best GFE.

From the moment she walked through the door, I was got surprise after surprise. Even before sorting the paper work she gave me a loooong Deeeep french kiss as a welcome. Set the mood right of the appointment. Her approach was to please me and make me comfortable and never heard a NO from her for anything. All my likes were on offer DFK, OWO and RO all of which were absolutely delicious. I'm a real boob man, I like to squeeze those melons and Carla was encouraging me to squeeze them ever harder. She like to be kissed on her neck, inner thighs and spanking.

I am not going to go into more details as they are mentioned in all her reviews. One thing I must say is I have had many punts but this one was the BEST. I will visit you soon again darling. Thanks for taking good care of me.
