The Premises:

HOD's Victoria venue. Basement flat, easy to get to from the station. Bedroom was clean and comfortable and the shower was clean, with soap and towels on hand.

The Lady:

Rebel has more of a tan, now, than in her pics but definitely the same lady. Petite, great body, with lovely firm boobs and a gorgeous bum. Very pretty. I usually go for tall, big-breasted blondes, so a petite brunette was a change of pace – a very welcome one, as it turned out!

The Story:

I don't usually see WGs without a review or recommendation but HOD has never steered me wrong, so I thought I was pretty safe visiting one of their new girls. And I was right.

Rebel was quite reserved at first. We started with a nice massage and then some OWO – her technique is fantastic. Not deep throat but really warm and wet and sensuous. A quick kiss (Rebel doesn't DFK – the only thing I could possibly have wanted but not got) and then it was my turn to return the favour. Rebel's pussy is smooth and sweet and a joy to eat! I loved going down on her and judging by the amount of love juice that was running down my chin by the end, she enjoyed it too! After that, we connected a bit more and it was fantastic. Some more oral and then sex in cowgirl, with me alternately massaging her boobs and sucking her sensitive nipples. Eruption into the johnny and then a shower before leaving (I was very close to time). Wish I'd booked an hour as I would have liked to spend another 15 minutes just lying with Rebel and caressing her smooth, sexy skin.

All-in-all, a beautiful experience. I'll be back if I can, Rebel! x
