### The Premises:

Smart Executive Serviced Apartment in Kensington.

### The Lady:

A pocket rocket. As fit as a fiddle with very nicely done enhanced boobs and a cracking bum. English but by her appearance perhaps some Latin blood. High heels and black lingerie.

### The Story:

I arrived dead on the appointed hour to be greeted by this exquisite pocket rocket. Bubbly and vivacious whilst at the same time smouldering. If that's possible. We sat and chatted....all the time her shifting position to show me glimpses of that wonderful body. Then she looks me straight in the eye and says "I need a good shagging". Who was I to deny her that? She reached across and undressed me then dipped her head to give me the most wonderful sloppy bj I think I've ever had. All the time she was wriggling out of her bra and knickers. It took all my willpower to hold from coming. Then she lay back and opened her legs. She pointed to her pussy and said "now my turn". Again who was I to refuse? I soon had her breathing heavily, she gripped my head and shuddered. Then she put the cover on and we fucked in various positions. While in doggy I used a finger on her little button. She didn't seem to mind so I enquired into it's availability. She replied that she doesn't always, but this time she was in the mood. So she reached for the gel and I slowly slipped in. Glorious. While I was preoccupied with my labours she reached for a nearby toy and reached behind to use it on my nuts. A new one for me! Then she used it on her clit. More shuddering....It was all too much for a chap so I pulled out and she got on her knees and emptied me into her mouth. Fantastic! Would I visit again? I've just booked. She also mentioned that she loves to lick pussy. Will definitely try me some of that! Recommended? What do you think.....?
