### The Premises:

Usual well reported location.

### The Lady:

Petite, slim & toned, dark hair in a very sharp cut, Uma Thurman in Pulp Fiction look, very sexy lingerie. Pretty face and lovely eyes.

### The Story:

I have been trying to see Lottie for months & difficult as she usually works here alternate Wednesdays & I had to cancel once and so did she. Have seen Lottie before in other establishments offering a full service and she was terrific. On to the couch and the fun began with an excellent back & leg massage with numerous 'reach unders' to rub my arse, cock & balls & her unique use of blowing air which adds to the sensuality of the experience. More oil liberally applied to my back & Lottie slid herself against me and continued to stroke my nether regions, nearly came twice. Turned over and Lottie sat between my legs rubbing oil into my nether regions before sublime body to body and wanking me against her tits. More oil applied to my cock and a build up to a climax with Lottie encouraging me to come over her tits. Exceptional 45 mins with a very sexy and accomplished practitioner of her art & a lovely lady too.
