The Premises:

Basement flat in quiet residential area, about 10 minutes walk from Queensway, immaculately clean and tidy.

The Lady:

Victoria is a beautiful slim Thai lady in her mid twenties, just like her video on the website. She has had her boobs enhanced just before she came over to the UK a few weeks ago, a bit larger than they needed to be to my eye, but she is very proud of them!

The Story:

I was greeted at the door with a lovely friendly smile, then an offer of a drink from a very well stocked fridge as we introduced ourselves. She was dressed in a "head girl" school uniform with black pull up stockings and high heels, worth the price of admission on its own!

I had initially booked for 90 minutes and teased her that I would extend to 2 hours depending on how passionately she kissed - five minutes later I had extended the time!

We then enjoyed a wonderful 2 hours of gfe, with her phone switched to silent, no interruptions, no time wasting, in fact I think it was only me that had an eye on the time!

I paid at the end, only to realise I was £20 short, and she was incredibly relaxed about me leaving to go to the nearest ATM to draw some extra cash. A word of warning though, it is a fair old distance to the nearest ATM!

Both Victoria and Ariel offer a fantastic experience from Olina, who are also consistently helpful when making a booking.
